Project #14406– University Tennessee – Department of Transportation (DOT) UA-T2 Director

http://utca.eng.ua.edu/research/projects/?id=14406

Record Type: UTC

The Technology Transfer (T2) Director for the Southern Transportation Research Center (STC) will lead related efforts intended to be the focal point for dissemination of researcher results derived from STC-funded projects. The T2 Director will work toward three primary outcomes set out for the STC T2 Program: 1.) Implement peer-reviewed research, 2.) Deliver symposia, specialty conferences, professional forums and other interactive presentations, 3.) Support development of procedures, programs and policies that leverage research results for the improvement of transportation, especially in the context of delivering comprehensive safety solutions.

Additionally, the T2 Director will coordinate with the STC leadership to support the Education and Workforce Development components of the STC.
